PINOT NOIR – CHARDONNAY BRUT ROSÉ

Special Moments

The distinct grape varieties made famous by the great Champagne houses of France take center-stage in this blend. The ancient shale soils on the South Facing slopes of Alvi's Drift's "Thornlands" vineyards produce outstanding Pinot Noir and Chardonnay which are the cornerstone of Alvi's Drift's sparkling wine portfolio. The Alvi's Drift Pinot Noir – Chardonnay Brut is a wine created for summer time enjoyment, a wine to celebrate good times, great friendships and special moments.

In The Cellar

The fantastic colour of the Pinot Noir on Alvi's Drift ensures that only free-run juice is required to create the vibrant pink hue on this wine. While the focus is to showcase fresh and clean apple and strawberry flavours from each grape, the wine is left several months on the lees to develop a fuller mouth feel.

Tasting Note

A fun, clean, fresh and unpretentious wine with a soft salmon pink hue. Fresh crisp, green apple with hints of strawberry, watermelon and pomegranate on the nose follow through to the palate. Supported by a lively mousse this wine has a dry finish with subtle hints of watermelon and candyfloss.

Cultivar Information

Pinot Noir 55%
Chardonnay 45%

Analysis

- Residual Sugar 8.0 g/l
- Alcohol 12.5%
- Acidity 7.9 g/l
- pH 2.9
