## SIGNATURE Sauvignon Blanc 2020

### The Grapes

Our vineyards are grown using a philosophy of sustainability and minimal intervention and are fertilized with natural compost produced on the farm. Vineyards are meticulously managed to optimize quality. Grapes are selectively hand harvested to ensure only healthy, ripe bunches are used for production.

### In The Cellar

Grapes are carefully selected for fresh and optimally ripe characters. After crushing, the juice was reductively handled. Only the best free run juice was cold fermented to ensure maximum fruit and flavour retention.

### Tasting Note

Sparkling bright with a pale straw colour. Intense aromas of Gooseberries and granadilla. Refreshing clean palate with fruit following through and balanced with crisp acidity.

### Serving Suggestion

Serve with grilled chicken or fish. Ideal for a summer picnic basket and cocktails and with fresh young goatmilk cheese.
