## SIGNATURE Viognier 2020

### The Grapes

Our vineyards are grown using a philosophy of sustainability and minimal intervention and are fertilized with natural compost produced on the farm. Vineyards are meticulously managed to optimize quality. Grapes are selectively hand harvested to ensure only healthy, ripe bunches are used for production.

### In The Cellar

Only the best free run juice was cold fermented to ensure maximum fruit and flavour retention. After fermentation, the wine was left on its fine lees for several months to ensure a beautiful mouth-feel and add depth to the palate.

### Tasting Note

Glowing pale straw colour, intense aromas of apricots and hints of rose petals. Well-rounded mouthfeel, with a medium body that brings the fruit to almost rest in your mouth and lingers for a long time.

### Serving Suggestion

Excellent partner to spicy food like Thai style Green Curries or even a Korma Currie. The wine will pair well with sushi and sashimi. Pasta with Carbonara or even Puttanesca sauce.
